We are grateful for your kindness in supporting a future of numerous possibilities. Your generous contribution plays a crucial role in making a positive impact through our initiatives.

CHALLENGES

In our journey to make a positive impact, we faced numerous challenges that tested our resilience and determination. In the quest to extend help to those in need, we encountered some hurdles.

- Beneficiaries faking their Personal Information

- Submitting falsified Death Certificates

- Lies About the Loss of Loved Ones

- The Plight of Aging OVC having nowhere to call Home.

- Old OVC claims of Entitlement
